

Waste Management

Household waste

It is **essential** for all household waste to be eliminated in the official blue bags bearing the indication “Ville de Fribourg” (“City of Fribourg”) *It is prohibited to deposit waste in non-compliant bags or not in bags, and the relevant town council department will conduct inspections.*

The bags are sold in local stores (Migros, Coop, Denner, etc.).

Paper and cardboard boxes

Paper and cardboard boxes are to be placed in the container provided at the waste area outside of the building.

Compost

To be placed into the bags for household waste or to bring to the Botanical Garden.

And other waste?

There are free public waste collection sites for glass, PET, metals and used household oils in the Jardins de Pérolles.

IT IS PROHIBITED TO PLACE THIS TYPE OF WASTE IN THE WASTE AREA!
